

Natalia TORRES

WEB DEVELOPER

ABOUT ME

I'm recently venturing inside the Web Development world, I am a passionate, curious person, with great motivation to continue acquiring and improving skills to use them in different projects. My colleagues refer to me as responsible, empathetic, proactive, creative person. Proficient in HTML, CSS, JavaScript and React. I'm looking to insert myself into the IT world, and be able to face different challenges, be part of wonderful projects and develop my potential
